Oak Harvest Insurance Services, LLC (04/2012-Present) Houston, TX

President/Agent

Sharpe Financial Strategies, LLC (06/2008-Present) Houston, TX

President

Item 3 - Disciplinary Information

Registered investment advisors are required to disclose certain material facts about its associated personnel regarding any legal or disciplinary events, including criminal or civil action in a domestic, foreign or military court, or any proceeding before a state, federal or foreign regulatory agency, self-regulatory organization, or suspension or sanction by a professional association for violation of its conduct rules, that would be material to your evaluation of each officer or a supervised person providing investment advice. Mr. Sharpe has not been the subject of an event requiring disclosure under current guidelines.

Item 4 - Other Business Activities

Investment advisor representatives are required to disclose outside business activities that account for a significant portion of their time or income, or that may present a conflict of interest with their advisory activities.

Mr. Sharpe is a licensed insurance agent and is able to sell annuities, life, health, and long-term care coverage to interested parties through various unaffiliated insurance companies where he may receive a commission or renewal payment from the issuer subsequent to a client's purchase of an insurance contract. This activity involves 33% or less of his time during traditional business hours each month. He will disclose (in advance of a transaction or service) the capacity in which he is serving a client, to include the conflict of interest the role or service to be provided may incur. The potential for the receipt of commissions and other compensation may give an associate an incentive to offer a recommendation based on the compensation he/she may receive rather than on the client's needs. Notwithstanding this issue, both Mr. Sharpe and Oak Harvest Investment Services take their responsibilities seriously and only intend to recommend investments, insurance or advisory services believed appropriate for the client.

Mr. Sharpe is the President and Managing Member of Oak Harvest Financial Group, LLC; the holding company of Oak Harvest Investment Services, LLC and Oak Harvest Insurance Services, LLC. He may receive income from revenue generated from both of these entities. This activity involves 34% or less of his time during traditional business hours each month.

Mr. Sharpe is the President of Sharpe Financial Strategies, LLC; a closely held entity used for the purpose of the personal income and expenses. Mr. Sharpe consults for high-net worth clients, this activity involves less than 34% of his time each month and normally occurs during regular business hours.

Mr. Sharpe is not registered, nor has an application pending to register, as a registered representative of a broker/dealer or associated person of a futures commission merchant, commodity pool operator, or commodity trading advisor. He does not receive commissions, bonuses or other compensation based on the sale of securities, including that as a registered representative of a broker/dealer or the distribution or service ("trail") fees from the sale of mutual funds. Mr. Sharpe and our advisory firm do not have a material relationship with the issuer of a security.

Mr. Sharpe is a member of the Financial Planning Association of Houston (FPA®).

Item 5 -Additional Compensation

Neither our advisory firm nor Mr. Sharpe is compensated for advisory services involving performance-based fees. In addition, except as otherwise disclosed in ADV Part 2A Items 5, 10, 11, and 14, our firm policy does not allow associated persons to accept or receive additional economic benefits, such as sales awards or other prizes, for providing advisory services to firm clients.

Mr. Sharpe has received compensation from insurance carriers and/or wholesalers in the form of trips, training sessions, profit sharing and overrides.

Item 6 - Supervision

Mr. Sharpe serves as the firm's Chief Compliance Officer. Because supervising one's self poses a conflict of interest, the firm has adopted policies and procedures to mitigate this conflict, and may use the services of unaffiliated professionals to ensure the firm's oversight obligations are met. Questions relative to the firm, its services or this Form ADV Part 2B may be made to the attention of Mr. Sharpe at (281) 822-1350.

Additional information about the firm, other advisory firms, or an associated investment advisor representative is available on the internet at www.adviserinfo.sec.gov. A search of this site for firms may be accomplished by firm name or a unique firm identifier, known as an IARD or CRD number. The CRD number for Oak Harvest Investment Services, LLC is 173293. The business and disciplinary history, if any, of an investment advisory firm and its representatives may be obtained by calling the Texas State Securities Board at (512) 305-8300.

Item 7 - Requirements for State-Registered Advisers

There have been neither awards nor sanctions or other matter where Mr. Sharpe or Oak Harvest Investment Services has been found liable in an arbitration, self-regulatory or administrative proceeding. Neither Mr. Sharpe nor Oak Harvest Investment Services has been the subject of a bankruptcy petition.

Mr. Sharpe had been the subject of reportable financial compromises during the period 2009 to 2011. Further details about this matter may be found by viewing his Form U-4 disclosure section at www.adviserinfo.sec.gov. You may search Mr. Sharpe by name or his CRD number which is 6408500. It is not believed that this matter negatively reflects upon his ability to manage the firm or serve its clients.

Information about Professional Designations/ Education

The CERTIFIED FINANCIAL PLANNER, CFP, and federally registered CFP (with flame design) marks (collectively, the "CFP" marks") are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. ("CFP Board"). The CFP certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP" certification.

It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 62,000 individuals have obtained CFP" certification in the United States. To attain the right to use the CFP" marks, an individual must satisfactorily fulfill the following requirements:

- Education- Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board's studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a bachelor's degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP Board's financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning;
- Examination- Pass the comprehensive CFP Certification Examination. The examination includes case studies and client scenarios designed to test one's ability to correctly diagnose financial planning issues and apply one's knowledge of financial planning to real world circumstances;
- Experience- Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year); and
- Ethics- Agree to be bound by CFP Board's Standards of Professional Conduct, a set of documents outlining the ethical and practice standards for CFP professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP marks:

- Continuing Education- Complete 30 hours of continuing education hours every two years, including two hours on the Code of Ethics and other parts of the Standards of Professional Conduct, to maintain competence and keep up with developments in the financial planning field; and
- Ethics- Renew an agreement to be bound by the Standards of Professional Conduct. The Standards prominently require that CFP professionals provide financial planning services at a fiduciary standard of care. This means CFP professionals must provide financial planning services in the best interests of their clients.

CFP professionals who fail to comply with the above standards and requirements may be subject to CFP Board's enforcement process, which could result in suspension or permanent revocation of their CFP" certification.

The Registered Financial Consultant (RFC®) is a professional designation awarded by the International Association of Registered Financial Consultants (IARFC) to those financial advisors who can meet the high standards of education, experience and integrity that are required of all its members. The IARFC is an organization of proven financial professionals formed to foster public confidence in the financial planning profession, to help financial advisors exchange planning techniques, and to give deserved recognition to those practitioners who are truly qualified and committed to professional education. The IARFC financial planning professional association requires its members to meet seven stringent requirements: Education, Examination, Experience, Licensing, Business Integrity, Adherence to a strict code of ethics, and Maintenance of proficiency with a minimum of 40 hours per year of continuing education in the field of financial planning. The IARFC is convinced that extensive on-going professional education is required for an advisor to serve the public effectively. The primary goal of the IARFC is to

provide the public with a pool of well-qualified practitioners from which to choose a personal advisor. The IARFC accomplishes this by limiting the RFC designation only to those applicants who meet its high standards of qualification. It removes the designation from anyone who fails to maintain proficiency through substantial continuing education, or who betrays the public trust by failing to live up to its Code of Ethics or by having a professional license revoked or suspended for any reason. A computer bank of members and their qualifications is maintained to provide the general public with the names, addresses and phone numbers of the nearest Registered Financial Consultants. This service is available to any interested party through the IARFC website: www.IARFC.org

Financial Industry Regulatory Authority (FINRA), North American Securities Administrators Association (NASAA) and state insurance examinations are "criterion based;" candidates who pass the exam are considered to have met the minimum competency level. The completion of an industry examination does not constitute or imply a person is "approved" or "endorsed" by a state, federal or industry regulatory body.

This brochure supplement provides information about Jessica Cannella Sharpe that supplements the Oak Harvest Investment Services brochure. You should have received a copy of that brochure. Please contact Jessica Cannella Sharpe if you did not receive Oak Harvest Investment Services's brochure or if you have any questions about the contents of this supplement.
